Sir:

In light of the telephone discussion with Ms. Wallace, submitted herewith is a corrected transmittal letter (page 1) in which the correct international application number PCT/JP2004/04321 is provided rather than the inadvertently mistyped PCT No. PCT/JP2004/0431, it being noted that the other information submitted was correct.

It is noted that Ms. Wallace indicated that such submission would enable proper processing of the application and a further response is unnecessary.

To the extent necessary, applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli,
